## There's No Resting in Republican Politics Diane Pomykacz, President April, 2017

Ladies, the General Elections is over but we can't let down our guard. There are many things going on that Republican Women need to be mindful and aware of. Each month we have a speaker that wants to make our county, state and country great, stronger and better. Please come and become more knowledgeable about Republican Politics, Caring for America, our Military, etc.

This month our speaker will be Diana Bingle, Field Director of Americans for Prosperity. They work to keep taxes low, they meet people in their neighborhoods, listen to their concerns, educate them on the issues and empower them to hold their lawmakers accountable and to achieve the American Dream. Please come and welcome her and let her know how special our Republican Women, Associates and friends are.

Also, remember your items for the Baby Bundles Shower on June 15. Susan Tillis (wife of Senator Thom Tillis) will be there as Baby Bundles is a part of her Foundation. Please put that on your calendar and consider going up to Cornelius with us. It's from 6pm to 7:30pm. Dinner will be served. Lots and lots of "baby stuff."

Dianna Bingle has been a volunteer activist in North Carolina's local, state and federal elections and policies since 2008/2009. In April 2016, Dianna took a leap of faith from being a volunteer to a grassroots operative and currently is a Field Director for Americans for Prosperity.

On a personal note, Dianna was born and raised in the South (born in Ga, raised in TN). As all Southern ladies know it is a requirement to own pearls and a great pair of high heels. She still considers herself a newlywed despite her 10 years of marriage. She has two adult children and an awesome granddaughter, Haley. When Di is not working to spread the message of economic freedom, you may find her at a gun range, in the kitchen baking cheesecakes or possibly shopping for shoes.

Quotations:

"I chose Americans for Prosperity because of the opportunities to empower people to be authors of their own future" -Dianna Bingle

"Everyone has a story of their journey in life, all are important with value and lessons to be learned. I believe in sharing each of our stories, listening to each other, finding out what does or does not work! I believe in the foundations of freedom, less government, prosperity for all and the freedom to make our own personal choice for

Remember, we are collecting **Baby items for Baby**

**Bundles** for the Shower on Thursday,

June 15. Needs: diapers, onesies, outfits, booties, bath products, wipes, pjs, blankets, toys, etc. These will be delivered to active duty military, E-4 and below with newborns.

Put it on your calendar and come along with us, it's a great and rewarding time.
